

DJ454909

General Guidelines

1. Please read the following instructions carefully and use the product accordingly.
2. Please keep this manual and hand it over when you transfer the product.
3. This summary may not include every detail of all variations and considered steps. Please contact us when you need further information or help.

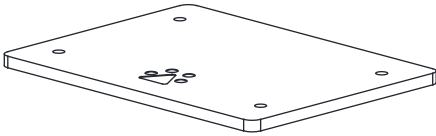

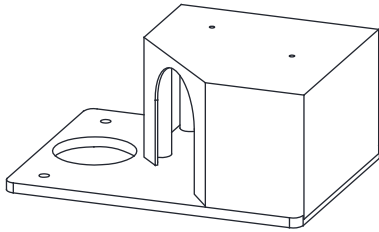

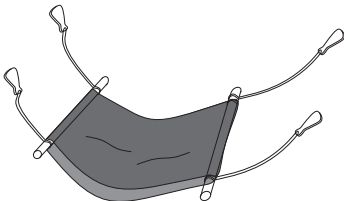

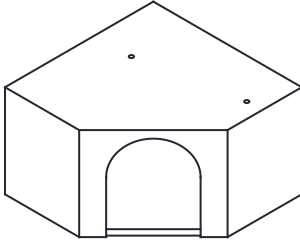

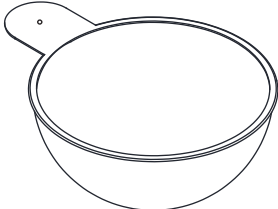

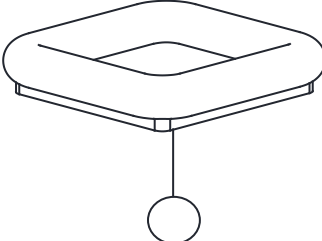

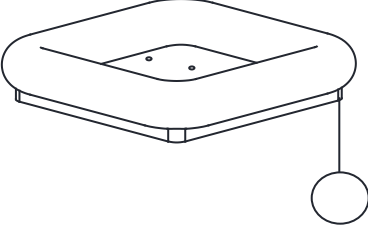

Notes

1. This product is only suitable for indoor use. Long-term exposure to a humid environment will make the product moldy.
2. This product must be installed and used in strictly accordance with the instruction. Installation and use not in accordance with this instruction is strictly prohibited, and the manufacturer does not assume any responsibility for the losses caused thereby.
3. An electric screwdriver is recommended during assembly, but this product is not provided. Wear gloves when installing sisal posts to avoid scratches.
4. During the use of the product, the screws may loosen and there is a danger of falling over. Please check regularly to ensure that the screws are tightened.
5. Place the product on a flat surface.

Warning

1. Children are forbidden to participate in the product installation. There are small parts in the box, which may cause fatal injuries if swallowed or inhaled by children. Please keep the plastic bags out of reach of children to avoid the risk of suffocation.
2. Do not climb or stand on the product to avoid the danger caused by the tilt of the product.
3. Do not install and use this product if there are missing parts.
