

EU REACH SCIP Registration

The EU Waste Framework directive (2008/98/EC) has established the Substances of Concern in Products (SCIP) database through amendment (EU) 2018/851. Articles that contain EU REACH (EC 1907/2006) Substances of Very High Concern (SVHCs) over 0.1% (w/w) must report into the SCIP database.

In accordance with this requirement, Google has registered the following products with the SCIP database:
