DISSOLVE DIRT, GRIME & TOUGH STICKY MESSSES FROM SEALED FLOORS

SPRING BREEZE

Great for cleaning ALL sealed hard floors and area rugs.

Remove everyday dirt and grime and leave floors clean and refreshed with BISSELL® Multi-Surface Formula. This versatile, concentrated formula tackles messes across a variety of surfaces such as sealed hardwood floors, tile, laminate, and area rugs*. The specialized cleaning formula was designed for use in all BISSELL® CrossWave®, SpinWave® and HydroWave® series. It's tough on messes, but safe for kids and pets**. Plus, its earth-friendly composition contains no heavy metals, phosphates, or dyes - leaving behind no dulling or harmful residue, all while working hard, to restore your floor's natural shine.

- Removes everyday dirt and grime while restoring your floor's natural shine
- Earth-friendly formula contains only biodegradable detergents and no heavy metals, phosphates, or dyes
- Concentrated formula leaves behind no dulling or harmful residue
- Multi-surface formula is great for cleaning multiple surfaces, including sealed hardwood floors, tile, laminate, and area rugs*
- For use in all BISSELL® CrossWave®, SpinWave® and HydroWave® Series Machines
- Leaves floors clean and refreshed with a fresh scent

*Area rugs for CrossWave® only

**When used as directed.
