All-around water fun starts with this charming Rain Showers Splash Tub! The corrugated metal and wood look make this kids' water table a fun, yet realistic looking water garden addition to any backyard space. Get the water fun flowing with the double-sided rain shower tray, where the water splashes down into the tipping bucket on one side and the chute and spinner on the other. Get ready to gather your friends and siblings to make a big splash with the included accessories to share and the large 360-degree play space!

- Double-sided tray creates a realistic rainfall effect – just pour water in to get the fun flowing!
- Water from the tray flows into the tipping water bucket station and the chute and spinner station.
- Multiple play stations are fun activities to show how water flows, spills, and fills space during playtime!
- 360-degree play space ensures multiple toddlers can play together to practice sharing.
- Charming design features neutral coloring and corrugated metal style basin, with faux wood accents.
- Made EverTough™, this toddler water table is uniquely indestructible, ready to outlast tons of playtime fun!
- Easy to clean: use disinfectant wipes or household cleaners whenever you want!
- In the box: Water table with double-sided rain showers tray and accessory set including two bug character squirt toys.
