

QcK MINI

Produktbezeichnung

SteelSeries QcK Mini

Beschreibung

QcK mousepads are the top choice of esports pros. The legendary micro-woven cloth has made the QcK line the world's best-selling gaming surface. Tested by the top mouse sensor manufacturer, the high thread count and smooth surface optimizes mouse tracking accuracy for both optical and laser sensors.

Besonderheiten

Legendary Micro-Woven Cloth: With over 10 million sold, the SteelSeries QcK is the pinnacle of surface performance and innovation. **Pinpoint Mouse Accuracy:** Tested by the top mouse sensor manufacturer, the high thread count and smooth surface optimizes mouse tracking accuracy for both optical and laser sensors. **Never-Slip Base:** The durable, non-slip rubber base is designed to eliminate unwanted movement and provide a solid platform for competitive gaming. **Legendary Esports Status:** For the past 15 years Esports stars have picked the SteelSeries QcK as their mouse pad of choice. Esports athletes have won more prize money using SteelSeries products than any other brand.
