

SteelSeries QcK Edge - Large

Produktbezeichnung

SteelSeries QcK Edge - Large

Beschreibung

The QcK Edge adds the extra durability of stitched edges to the legendary QcK micro-woven cloth found in the world's best-selling mousepad. More esports pros use QcK mousepads than any other gaming surface because of the reliable smooth surface, optimized for both optical and laser sensors.

Besonderheiten

Legendary Micro-Woven Cloth: With over 10 million sold, the SteelSeries QcK is the pinnacle of surface performance and innovation. **Pinpoint Mouse Accuracy:** Tested by the top mouse sensor manufacturer, the high thread count and smooth surface optimizes mouse tracking accuracy for both optical and laser sensors. **Never-Fray Stitching:** Stitching along the edges of the surface ensure it will never fray or peel. **Never-Slip Base:** The durable, non-slip rubber base is designed to eliminate unwanted movement and provide a solid platform for competitive gaming. **Legendary Esports Status:** For the past 15 years Esports stars have picked the SteelSeries QcK as their mouse pad of choice. Esports athletes have won more prize money using SteelSeries products than any other brand.
