

WAR GROOVE

FORMAT: PS4/SWITCH
GENRE: TURN-BASED STRATEGY
RELEASE DATE: COMING SOON
PS4 - £19.99 / \$29.99 / €29.99
SWITCH - £29.99 / \$39.99 / €39.99

Sharpen your sword and take to the battlefield!

Choose your Commander and wage war on battling factions, using your 'groove' to strategically sway the fight in your favour. Design and share online your very own maps, cut-scenes and campaign stories with easy-to-use editors and in-depth customisation tools.

Campaign Mode

Battle your way through Campaign Mode to discover the story and motivations behind each of the factions.

Local and Online Multiplayer

Challenge your friends to skirmish modes with complete rule customisation, as well as local and online competitive and co-op play.

Map and Campaign Editor

Design and share online your own complex series of battlefields, with branching story paths using easy to master in-game map and campaign editors
