

## Arctis 1 Wireless

<b>Title</b>	Arctis 1 Wireless		
<b>Description</b>	The Arctis 1 Wireless is a gaming-grade wireless headset designed for PC, PS4, Switch, and Android thanks to an innovative USB-C dongle design, making it perfect for gaming at home or on the go. Its sleek and lightweight design includes the same high quality speaker drivers and microphone tech as the critically acclaimed Arctis 7, so you can bring the award-winning performance of Arctis anywhere.
