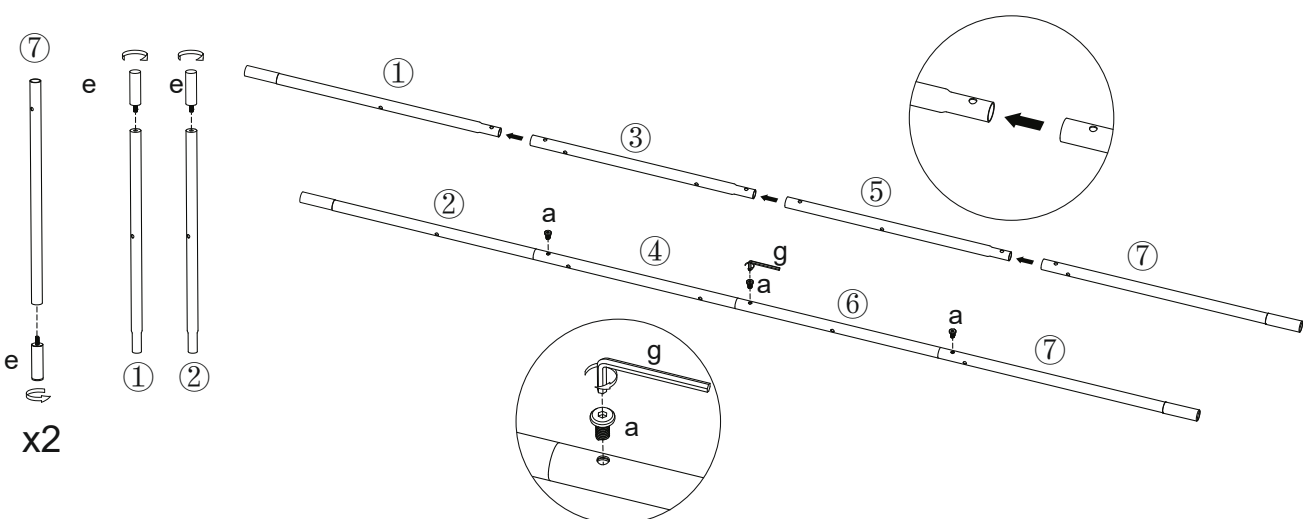

Diagram illustrating the assembly of the rods (1-7) using the provided hardware. The rods are connected in a parallel arrangement. Callouts 'e' and 'f' indicate the use of M6x12mm screws (ax6) and M6x35mm screws (bx8) respectively. Callout 'a' points to the attachment of the M6x35mm screws (bx8) to the rods. Callout 'g' points to the attachment of the bracket (gx1) to the rods. The quantity 'x2' is indicated for several components.
