Item Code: TABLESTANDW
Folding table stand

Features:

- Compact and foldable
- Two adjustable heights for vertical and horizontal viewing
- Rubber back anti-slip and anti- scratch
- Metal finishes

Compatibility:

Samsung and Tablet

DESCRIPTION:

TABLE STAND is the stand for smartphones and tablets. Compact and foldable, it can be easily transported for use in both vertical and horizontal display modes, thanks to its adjustable height.

The essential and functional design combines a non-slip and scratch-resistant rubber back with metal finishes.
