530.075.010	Shelf Tool Organizer STARK 61 cm

are consistent with the EU requirements and in particular with the following EC directives:

1. REACH Regulation (EC) NO 1907/2006:

- Comply with Annex XVII of regulation 1907/2006. its adaptations and annexes
- Do not contain unregistered substances acc. to REACH that may be released under normal or reasonably foreseeable conditions of use. Therefore. none of the substances contained in our products need to be notified or registered under Article 7(1) of the REACH regulation

- With regard to the evolving candidate list of substances requiring authorization (SVHC)

☒ Do not contain SVHC in a concentration ≥ 0.1 % weight by weight per single component of the product.

- In accordance with Article 33(1) of the REACH regulation (EC 1907/2006), we are obliged to inform our customers if a product supplied by us contains a substance of very high concern (SVHC) in a concentration above 0.1 % (w/w). The candidate list of SVHC meeting the criteria in Article 57 and identified in accordance with Article 59(1) of the REACH regulation (EC 1907/2006) is updated twice a year on the homepage of the European Chemicals Agency (ECHA):

<https://www.echa.europa.eu/candidate-list-table>

- We will continue to assess and monitor the substances in our products to ensure compliance with REACH. Should any of the substances contained in our products in a concentration of more than 0.1 % (w/w) be included in Annex XIV or in the candidate list in the future, we will forward information about these substances to our customers in accordance with Article 33(1) of EC 1907/2006.

2. POP's Regulation (DC) NO 2019/1021

- The product and its components do not contain any substances regulated in POP's regulation

3. Directive on Packaging and packaging waste (EC) NO 94/62.

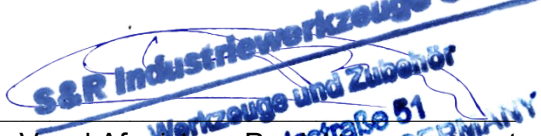

- The packaging materials complies with the restrictions in packaging and packaging waste directive. and:
☒ The sum of Pb, Cd, Hg and Cr (VI) is not greater than 100 ppm.

4. RoHS Directive NO 2011/65/EU

- The products and its content of homogenous materials comply with current restrictions in RoHS
- The products and its content of homogenous materials comply with coming restrictions on Phthalates.

We undertake to follow legal changes and inform about any changes that may call into question the conformity of the products declared in this document.

This document is based on a provided by the supplier conformity declaration № 26092024-1 dated 26/09/2024.
