Delegated Regulation (EU) 65/2014

|                                                                             |                                          |
|-----------------------------------------------------------------------------|------------------------------------------|
| Supplier name or trademark                                                  | <b>LEVIVO</b>                            |
| Model identifier                                                            | <b>200100001315</b>                      |
| Annual Energy Consumption                                                   | <b>19,4</b>                              |
| Energy Efficiency Class                                                     | <b>A+++</b>                              |
| Fluid Dynamic Efficiency                                                    | <b>40,9</b>                              |
| Fluid Dynamic Efficiency class                                              | <b>A</b>                                 |
| Lighting Efficiency                                                         | <b>52</b>                                |
| Lighting Efficiency class                                                   | <b>E</b>                                 |
| Grease Filtering Efficiency                                                 | <b>69</b>                                |
| Grease Filtering Efficiency class                                           | <b>D</b>                                 |
| Air flow (min speed normal use)                                             | <b>217,5</b>                             |
| Air flow (max speed normal use)                                             | <b>401,0</b>                             |
| Air flow (intensive or boost use)                                           | <b>Booster1:572,8<br/>Booster2:740,4</b> |
| Airborne acoustical A-weighted sound power emissions (min speed normal use) | <b>40</b>                                |
| Airborne acoustical A-weighted sound power emissions (max speed normal use) | <b>56</b>                                |
| Power consumption in off mode (W)                                           | <b>0.49</b>                              |
| Power consumption in standby mode (W)                                       | <b>/</b>                                 |
