

# FIFA 23

## EA SPORTS™ FIFA 23 LEGACY EDITION Nintendo Switch™

### PRODUCT DESCRIPTION

EA SPORTS™ FIFA 23 Legacy Edition on Nintendo Switch™ features the latest kits, clubs, and squads from some of the top leagues of the world. It will also feature the addition of top women's club teams and some of the world's most famous stadiums, including brand new ones. FIFA 23 Legacy Edition includes an updated visual identity and a refreshed broadcast overlay package. Gameplay features and modes will have parity with FIFA 22 on Nintendo Switch and will feature the same gameplay from FIFA 22 Legacy Edition without any new development or significant enhancements.

### PRODUCT OVERVIEW

**GAMEPLAY** - FIFA 23 Legacy Edition will feature the same gameplay features from FIFA 22 Legacy Edition without any new development or significant enhancements.

**WOMEN'S FOOTBALL** - Women's club football comes to FIFA 23 Legacy Edition for the first time, with the addition of the Barclays FA Women's Super League (WSL) and France D1 Arkema (D1F).

**NEW STADIUMS** - FIFA 23 Legacy Edition on Nintendo Switch™ will feature new stadiums from around the globe, including - for the first time ever - stadiums from the women's game such as the Manchester City Academy stadium.

**PRESENTATION** - FIFA 23 Legacy Edition will feature an updated visual identity with a newly designed in-game front end and menu screens as well as a commentary refresh.

**LEGACY MODES** - The following Game Modes will be included in FIFA 23 Legacy Edition with the same features from FIFA 22 Legacy Edition.

- Kick Off
- Career Mode
- Tournaments – Licensed and Custom, including the UEFA Champions League
- Women's International Cup
- Skill Games

- Online Seasons & Friendlies
- Local Seasons

FIFA 23 Legacy Edition will feature a select number of FIFA Ultimate Team™ Campaigns throughout the Season\*.

FIFA Ultimate Team will include:

Manager Tasks

- Single Player & Online Seasons, Tournaments and Online Draft
- Online Single Match
- Squad Building Challenges
- FUT Heroes
- ICONS

## YOUR FIFA, YOUR WAY

**Console Configurations:** Experience FIFA wherever, whenever and however you want. Connect to your television and play Single or Multiplayer or take the same modes on-the-go:

- Docked
- Handheld
- Tabletop
- Local Multiplayer Connection

**Split Joy-Con Support:** Built exclusively for Nintendo Switch, Split Joy-Con controls enables you to compete with your friends anytime and anywhere. Without any additional hardware, players can separate the Joy-Con controllers and enjoy multiplayer game modes at home, or on the go. Joy-Con support on FIFA 23 Legacy Edition includes:

- Handheld
- Dual
- Single

Note: FIFA 23 Legacy Edition will also support Pro Controller configuration.

**Local Seasons:** Enjoy an exclusive way to play on Nintendo Switch with Local Seasons. Invite anyone in your local proximity and track multiple stats in your matches through a five-game season, in FIFA.

*\*FUT Live Content for the Nintendo Switch FIFA 23 Legacy Edition will be different from FUT Live Content for FIFA 23 on PlayStation®5, PlayStation®4, Xbox Series X|S, Xbox One, PC via Origin, Steam, and Stadia.*
