INFINITY MAX

THE UNIVERSAL TABLET STRAP

Infinity Max is our universal tablet strap and is designed to enhance your tablet experience in countless ways. Being compatible with any tablet, ranging from 8 to 11 inches, while having unhindered access to your camera and button, it's a must-have accessory. The integrated hand strap ensures a secure grip, whether you're holding it vertically or horizontally, and the detachable strap with carabiners allows you to use it as a hand grip only – perfect for when you're on the go. Its universal design and the adjustable nylon cord makes it fit to a diverse range of users – from professionals to boost interactivity, as the tablet can be installed in the car so that users can watch movies. Infinity Max is a versatile companion to boost everyone's convenience and efficiency.
