

Steam Iron

TST-1800B

The TORNADO TST-1800B steam iron makes ironing a pleasure. The model's color scheme in white and blue is an instant winner. The large water tank can be filled with 0.3 liters, this allows you to generate the steam you need to smooth your laundry. The high-quality Teflon sole-plate, with non-stick coating, is particularly responsible for the great gliding properties. You can choose between different ironing functions (eco mode, extra steam boost 160 g/min, spray button, vertical steam and variable steam output 0-30 g/min). Variable steam output means that even delicate fabrics can be gently smoothed. The device can achieve a maximum steam output of 160 g/min. Wrinkles can be removed from heavy fabrics such as jeans or linen with the additional steam boost. The 1800-watt output and an extra steam boost of 160 g/min. will also get rid of stubborn wrinkles. The continuous steam of 30 g/min. ensures efficient ironing and quick results. The compact design, ergonomic steam trigger and non-stick sole-plate make it easy to use and ensure a smooth ironing experience.

Product Data	
EAN Code	6221127467116
Warranty	2 Years
Product Dimension in Length	296 mm
Product Dimension in Width	129 mm
Product Dimension in Height	159 mm
Product Net Weight	1.25 Kg
Technical Specifications	
Operating Voltage	240-220 V
Frequency	60/50 V
Power	1800 W
Steam Rate	30 gm/ min
Steam Boost	160 gm
Country Of Origin	Egypt
Adjustable Steam	Yes
Filtration System	Yes
Soleplate	Teflon
Spray	Yes
Power Cord	1.8 m
Water Tank Capacity	300 ml
Anti-Drip	Yes
Anti-Calc	Yes
Resistance to Heat and Fire	Yes
Other Data	
Gift Box in mm (L*W*H)	305*136*165
Outer Box in mm (L*W*H) 3 Pieces	408*313*355
Gross Weight / 3 Pieces	10 Kg
Container Capacity for Container "20"	588
Container Capacity for Container "40" HQ	1421
Color	White*Blue
Certificate	CE
