50MP HYBRID REAR CAMERA

CAPTURE EVERY DETAIL IN STUNNING CLARITY

TCL

50MP

2-in-1 Main & Macro

Capture Everything

Whether it's a close-up of a flower or a wide-angle landscape shot, with bigger pixels, the detail that every super-typical 20MP or 15MP camera can't capture is revealed. Textures and beauty you've never seen before.

MULTIPLE SHOOTING MODES

SNAP SMARTER AND EASIER

TCL

Gesture Capture

- Just a gesture controls the shutter, for both rear and front camera. Snap the perfect shot, hands-free!

AI Scene Detection

- AI gets it—22 scenes, from clear skies to cute pets, auto-optimized for picture-perfect shots every time.

Ultra Night Mode

- With Arcsoft's professional multi-frame de-noise and HDR tuning, your photos stay sharp, bright, and true-to-life — even in challenging night or backlight scenes.

8MP ULTRA-CLEAR SELFIES

TRUE COLORS BY DAY, CLARITY BY NIGHT

TCL

True-to-Life Colors in Every Shot

Under the bright sun, the 8MP ultra-clear front camera captures every detail with stunning clarity. Advanced color reproduction ensures your skin tones stay natural and the world around you looks just as vivid as you see it.

Night Mode

Night Algorithms ensure nights are free from blur and noise, delivering crystal-clear images.

8MP

MULTIPLE FUNCTIONS

BEAUTY, CLARITY, STYLE

TCL

HDR Selfie Mode

- HDR mode ensures balanced exposure and vibrant details, even in tricky lighting.

Face Beauty

- 8MP front camera with Face Beauty delivers flawless, natural-looking portraits every time.

Portrait Mode

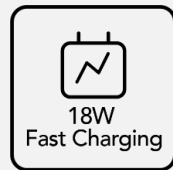

- Softly blurred backgrounds keep the focus on you.

ROBUST BATTERY NON-STOP USAGE

TCL

Relieves you from battery anxiety with robust 5200mAh power that supports all-day tasks or browsing feeds on-the-go.

Quickly charge your device with 18W super-fast charging technology, minimizing downtime and keeping you connected throughout the day.

Extends battery life intelligently, offering up to 2 days* of regular use on a single charge.

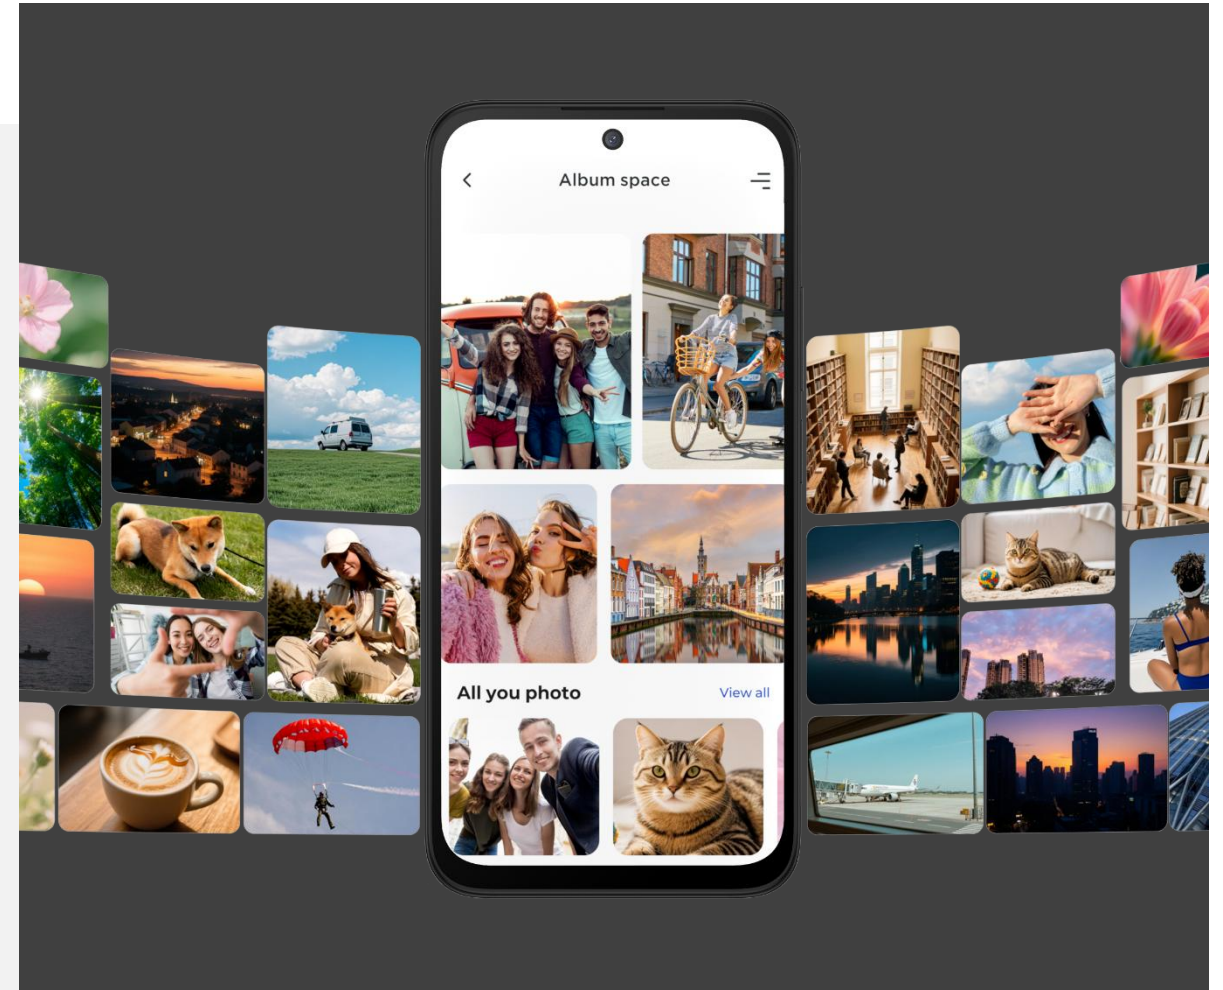

*Battery data based on results from internal lab tests. Actual battery life varies by personal usage.

128GB MASSIVE STORAGE LIMITLESS POSSIBILITIES

TCL

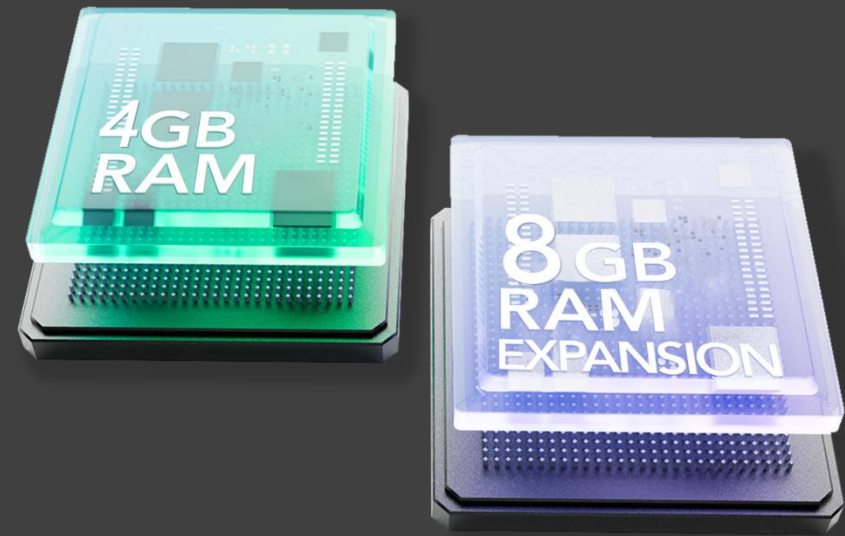

Store your world with up to 128GB expansive internal storage and the option to expand up to 2TB, providing ample space for all your photos, videos, apps, and files without worrying about running out of room.

UP TO 12 GB EXTENDED RAM EFFORTLESS MULTITASKING

TCL

Experience seamless multitasking provided by up to 8 GB extended RAM, allowing effortless app switching and smoother performance in your daily use.

*8GB+16GB RAM EXPANSION

MULTIFUNCTIONAL NFC

MORE CONVENIENCE, BETTER SECURITY

TCL

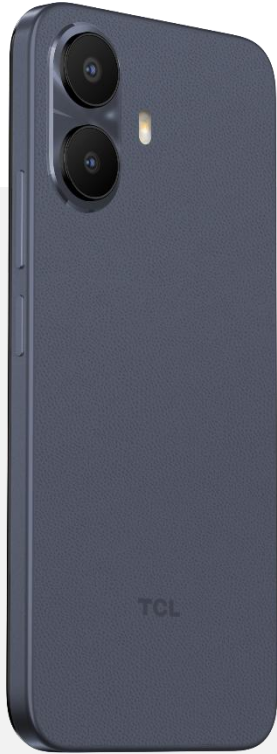

- Works with Google Pay
- Make secure payments fast and easy with the contact-less convenience of NFC.
- Put your phone close to contactless readers (e.g. POS machine) and your payment is completed.

RELIABLE & ECO DESIGN

BUILT TO LAST, KIND TO THE PLANET

TCL

- ✓ Soft touch
- ✓ Anti-Skidding
- ✓ Easy to Clean
- ✓ Eco-friendly
- ✓ Shatter-Resistant

Design with eco-friendly organosilicon material, this device offers a premium, soft-touch feel while reducing environmental impact.

With an IP64 rating, proven by a 3-minute water-wash test to handle light spills and splashes.*

*Durability data based on results from internal lab tests. The device is not resistant to water submersion. Splash, water, and dust resistance are not permanent and may decrease due to daily wear and tear. Please avoid charging the device in damp conditions. Warranty does not cover water damage.
