

# Push-Up \_Table

Push-up is a rechargeable battery-powered cordless table lamp. Pushing the lid down, lifts the diffuser up and turns the light on; pushing the lid back down, closes the lamp while turning the light off. A "touch" control hidden under the base allows switching on/off, dimming, and selecting the color temperature of the light (2200 K, 2700 K or 3000 K). It is suitable for both indoor and outdoor use. An electronic control system monitors the remaining autonomy and ensures a constant luminous flux until the battery runs out. Recharging is therefore optimized and always properly done. The lamp comes with a contact charging base; the battery charger is not included.

LED IP54

## Lighting specifications

source	LED
type	SMD
total power	2,2 W
power LED	2,2 W
color temperature	2200 - 2700 - 3000 K
lumen lamp	105 - 127 - 134 lm
lumen LED	207 - 235 - 248 lm
beam angle	45°
CRI	> 80
class	F
dimmer	TOUCH DIMMER
motion sensor	NO

## Electrical specifications

input	100-240V
output	5 Vdc max 1A
battery	1 cell li-ion battery pack mod. 18650 3,7v - 2200 ma/h
battery life	13 H.
charging time	6/7 H.
