Wet Grinder

TC-WG 200

Item No.: 4418008

Ident No.: 11019

Bar Code: 4006825649963

The Einhell TC-WG 200 wet grinder is ideal for sharpening your tools without damaging the workpiece being worked on. The universal device provides flexibility and the corrosion-resistant water tank cools the piece. Honing compound can be used for polishing the workpiece. The angle gauge for adjusting the grinding angle is included in the delivery. The grinding wheel can be prepared using the grinding stone. Four rubber feet absorb vibrations and ensure a secure and steady standing position. The product is supplied complete with a slow-turning, fine grained wet grinding wheel and a leather honing wheel for removing grinding burrs.

Features & Benefits

- Can be used for wet grinding
- 4 rubber feet for standing securely and with low vibrations
- Corrosion-resistant water tank for cooling the workpiece
- Complete with leather honing wheel for removing burrs
- Complete with slow-speed, fine-grained wet grinding wheel
- Universal device for grinding a wide range of tools
- Grinding stone for preparing the grinding wheel
- Honing compound for polishing the workpiece
- Angle gauge for adjusting the grinding angle
