

Embargo Date	October 24, 2024
First Customer Ship Date	October 24, 2024
Product Etail Title	CORSAIR NAUTILUS 360 RS ARGB Liquid CPU Cooler – White – RS120 ARGB Fans – Fits Intel® LGA 1851, AMD® AM5/AM4 – Simple Daisy-Chain Connections - Direct Motherboard Connection
Product Title	CORSAIR NAUTILUS 360 RS ARGB Liquid CPU Cooler - White
Product Name	CORSAIR NAUTILUS 360 RS ARGB Liquid CPU Cooler
Pre-Order Option	No
Product Imagery Link	LINK
Password	N_rs@gbww

Overview

25 Word Product Description

The CORSAIR NAUTILUS RS ARGB Liquid CPU Cooler features efficient, low-noise cooling, RS120 ARGB fans with easy motherboard ARGB control, and easy installation on the latest CPU sockets.

Overview

50 Word Product Description

The CORSAIR NAUTILUS RS ARGB Liquid CPU Cooler delivers efficient, low-noise cooling with RS120 ARGB fans. Easy daisy-chained connections and PWM control make it a standout choice for efficiently cooling your CPU while illuminating your build with simple motherboard ARGB control. Supports the latest Intel® and AMD® CPU sockets, including LGA 1851.

Overview

100 Word Product Description

The CORSAIR NAUTILUS RS ARGB Liquid CPU Cooler showcases CORSAIR's excellence in engineering and design, offering efficient, low-noise cooling with straightforward connectivity – no controller required, just plug directly into your motherboard. Its slightly convex cold plate with pre-applied thermal paste ensures superior thermal transfer, while RS120 ARGB fans maintain low temperatures for maximum CPU performance. Eight RGB LEDs on the pump head and each fan light up your system with easy motherboard control. Simplify your build with easy, daisy-chained connections and precise cooling control via a 4-pin PWM fan header. For more advanced control, an optional iCUE controller (sold separately) can be used. Supporting a wide range of Intel® and AMD® CPU sockets, including LGA 1851, the NAUTILUS RS offers broad system compatibility.

Features

- **Simple, High-Performance All-in-One CPU Cooling:** Renowned CORSAIR engineering delivers strong, low-noise cooling that helps your CPU reach its full potential.
- **Efficient, Low-Noise Pump:** Keeps your coolant circulating at a high flow rate while generating a whisper-quiet 20 dBA.
- **Convex Cold Plate with Pre-Applied Thermal Paste:** The slightly convex shape ensures maximum contact with your CPU's integrated heat spreader, with thermal paste applied in an optimized pattern to speed up installation.
- **RS120 ARGB Fans:** RS ARGB fans create strong airflow and high static pressure, with easy ARGB control via a compatible motherboard. CORSAIR AirGuide technology and Magnetic Dome bearings ensure great cooling performance and low noise.
- **Easy Daisy-Chained Connections:** Reduce the wiring in your system by daisy-chaining your RS ARGB fans and connecting them to just one 4-pin PWM fan header and one +5V ARGB header.
- **Quiet PWM-Controlled Cooling and Zero RPM Mode:** Dictate your exact fan speeds up to 2,100 RPM with PWM control, plus support for Zero RPM PWM signals allows fans to stop entirely at low temperatures, eliminating fan noise completely.
- **Dynamic RGB Lighting:** Eight RGB LEDs on the pump and each fan create a captivating light show.
- **Wide Compatibility:** Supports a wide range of Intel® and AMD® socket types, including the latest cutting-edge LGA 1851.
- **iCUE-Ready:** Connect to a CORSAIR iCUE controller (sold separately) for more advanced control over your fans and pump using iCUE software.

Tech Specs

Dimensions (mm):	396mm x 120mm x 27mm
Coldplate Material:	Copper
Radiator Material:	Aluminum
Fans included:	RS120 ARGB
Fan Bearing:	Magnetic Dome
Fan Max Speed:	0 – 2,100 RPM ±10%

Fan Dimensions:	120mm x 25mm
Fan Airflow:	13.3 – 72.8 CFM
Fan Static Pressure:	0.20 – 4.15 mm-H2O
Fan Noise Level:	10 - 36 dBA
Tubing Length:	450mm
Tubing Material:	White Sleeved Low-Permeation Rubber
Cooling Socket Support:	AMD: AM5, AM4 Intel: 1851, 1700
Warranty:	5

Box Contents

- CORSAIR NAUTILUS 360 RS ARGB
- 3x RS120 ARGB fans
- Mounting Kit for All Modern CPU Sockets
- Fan and Radiator Mounting Screws
- Warranty & Safety Leaflet

Shipping Info

Model:	CORSAIR NAUTILUS 360 ARGB
Part Number:	CW-9060095-WW
UPC Code:	840006687597
EAN:	0840006687597
GTIN:	10840006687594
Product Weight (kg):	1.6kg / 3.53lbs
Box Shipping Weight (kg):	2.3922kg / 5.27lbs
Pallet Quantity:	72
Retail Box Dimensions (L x W x H mm):	443mm*190mm*132mm / 17.44"*7.48"*5.20"
Master Shipper Dimensions (L x W x H mm):	465mm*408mm*444mm / 18.31"*16.06"*17.48"
Master Carton Weight (kg):	15.8kg / 34.83lbs
Master Carton quantity:	6
Harmonized Tariff Code:	8473.30.5100
Warranty:	5 Year
