LOOPENERGY

USB TYPE-C

Rechargeable Battery

Loop-energy High-Performance rechargeable battery with USB Type-C Charging port.

Loop-energy high capacity Li-ion rechargeable battery is built for more power and longer runtimes.

Built-in with USB Type-C charging port for a 1-2 hours fast charging.

Loop-energy rechargeable batteries can be recharged over 1000+ times, saving thousands of alkaline batteries and reducing a significant amount of landfill waste.

- USB Type-C Charging Port
- Integrated whole body PCB inside patented design.
- Multiple protection against Over-Charge, Over-discharge or Over-heat, short circuit.
- LED Charge intelligent power indicator function

AAA900 900mWh

available in dual pack / 4 pack

Specification

Battery Type: Li-ion
Voltage: 1.5V / 900mWh
Capacity: 600mAh

Model Name: Loop Energy 2-Pack AAA
SKU: 1UDBT-A2WEB2-NN
EAN: 4713095608933

Package Content
Loopenergy AAA900 2 Pack
AAA900 Battery X 2
USB Type A to 2 Type C charging cable X 1

Model Name: Loopenergy 4-Pack AAA
SKU: 1UDBT-A1WEAC-NN
EAN: 4713095608902

Package Content
Loopenergy AAA900 4 Pack
AAA900 Battery X 4
USB Type A to 4 Type C charging cable X 1

AA2550 2550mWh

available in dual pack / 4 pack

Specification

Battery Type: Li-ion
Voltage: 1.5V / 2550mWh
Capacity: 1700mAh

Model Name: Loop Energy 2-Pack AA
SKU: 1UDBT-A1WEA2-NN
EAN: 4713095608926

Package Content
Loopenergy AA2550 2 Pack
AA2550 Battery X 2
USB Type A to 2 Type C charging cable X 1

Model Name: Loopenergy 4-Pack AA
SKU: 1UDBT-A2WEBC-NN
EAN: 4713095608919

Package Content
Loopenergy AA2550 4 Pack
AA2550 Battery X 4
USB Type A to 4 Type C charging cable X 1
