

User Manual - Static Window Stickers

Thank you for purchasing our static window stickers! These stickers are designed for easy application and reuse on any clean, smooth surface, such as windows and mirrors.

Instructions for Use

1. Clean the surface where you want to apply the sticker. Ensure it is dry and free of dust or dirt.
2. Carefully peel the sticker off from the backing paper.
3. Position the sticker on the surface. Press gently and smooth out any bubbles.
4. To reposition, gently peel off the sticker and reapply it in the desired location.
5. After use, store the sticker on its original backing paper for future use.

Care Instructions

- Do not use harsh chemicals or abrasive materials to clean the surface before application.
- Avoid prolonged exposure to direct sunlight to prevent fading of the colors.
- The stickers are reusable. To maintain their static adhesion, ensure they are stored flat and clean between uses.

Safety Information

- These stickers are safe for children and adults when used as intended.
- Keep stickers out of reach of small children to avoid any choking hazards.
- Not suitable for use on non-smooth surfaces like walls or painted surfaces.
