

Safety Data Sheet (SDS)

1. Product Identification

Product name: Ceramic Mugs (various models)

Manufacturer: Daniel Wiesner, Sunnywall, Rheingoldstr. 39, 10318 Berlin, Germany

Contact: +49 30 54 861250, gpsr@sunnywall.de

2. Potential Hazards

The product is made of ceramic, which can break if dropped. Handle with care to avoid injury from broken pieces. The mug can become hot when filled with hot liquids, posing a risk of burns.

3. Handling and Storage

Storage: Store in a safe place where the mug is not exposed to impact or falls.

Handling: Be cautious when using hot beverages. The mug is dishwasher- and microwave-safe.

4. Disposal

Dispose of the mug according to local recycling guidelines for ceramic materials.

5. Emergency Measures

In case of breakage, handle the sharp pieces with care to avoid injury. No further emergency measures required.
