ID: 38952 SKU: BHR5976GL

Hi-Resolution Audio

Redmi buds 4 pro is the first Redmi TWS that conformed to Hi-res Audio standards. It allows you to get closer to the original studio recording and enjoy your music just as the artist intended.

Dual-driver speaker

Redmi buds 4 pro uses 10mm+6mm dual driver to bring the punchy bass and delicate treble sound together in a harmonious way.

Built-in Immersive Sound

Hearing the sound all around you and experiencing a true-to-life world. The built-in immersive sound doesn't have any limitation on the devices you used.

Up to 43dB ANC

Redmi buds 4 pro block out the noise around you and keep a silent world when turning ANC on.

3 ANC modes(Deep, Balanced, Light) and 1 Adaptive mode are available

Dual-device connectivity

Connect with 2 devices(smartphone, tablet, or PC) at the same time and switch between the two devices automatically.

9+36h longer battery

A single charge brings you up to 9 hours of listening time with noise cancellation turned-off, and up to 36 hours when coupled with the charging case.

Fast charging

Redmi Buds 4 Pro supports fast charging, only 5 minutes charge you can use 2 hours. Never be afraid of battery off.

Xiaomi Earbuds App

Enjoy more interesting features like adjusting the ANC modes, finding your earphones through the App, and Android phones only at the moment.

Comfortable touch control

By double tap, triple tap or press and hold to control your earbuds easily, also you can customize the control through App.

IP54 dust and waterproof

All-round splash-proof, protecting users from rain, sweat and splash.
