

Mi 360° Home Security Camera 2K Pro

[GL Version] ID: 28309 SKU: BHR4193GL

Every Detail in Sharp 2K Clarity

- Zoom in on objects and capture clearer details and colors with 2304*1296 resolution.

F1.4 Large Aperture and 6P Lens

- Large aperture ensures adequate light intake to capture the details of the image;
- Fully upgraded lens to deliver a more clear and delicate image.

Enhanced Color Night Vision in Low Light

- Invisible 940nm infrared LEDs offer you enhanced night vision without making any interruption; see the video in full color even in low light.

Dual Noise-Canceling Mics for Clearer Talk

- Supports two-way audio talk, and the active noise reduction technology eliminates speaker echo and enhances the communication experience.

Built-in Bluetooth Gateway for Smart Home

- Connect to Bluetooth devices for more complete home automation and remote monitoring experience.

New AI Human Detection

- New generation of local AI human detection algorithm, no need to upload the video to the Cloud for faster and safer recognition.

360° Vision Means Full Home Protection

- The dual motor head enables the camera to rotate and capture a full 360° horizontal view and 118° vertical view.

One-Click Privacy Shield

- Simple use of physical lens blocking to ensure full privacy while staying home.

Dual-band Wi-Fi Connection

- Supports 2.4GHz / 5GHz Wi-Fi connection to reduce signal interference and to guarantee a stable connection.

Install Upright or Inverted

- The camera is pre-installed with the rotation base and can be placed on a table, window, ceiling, or wall.
