Hernád, 18.08.2025

We, Animall Professional Care Ltd. as the manufacturer of the following product (label and SDS attached):

Nupet Halsband - Floh- & Zeckenhalsband für Hunde

registered as :

*"Nupet Halsband - Floh- & Zeckenhalsband für Hunde with BAUA-Nr : **N-112385** (Biozid-Produkt. Produktart PT19: Repellent. Halsband zum Abwehren. Wirkstoff: Geraniol 1,7% m/m (CAS Nummer 106-24-1). Verwendungszweck: Zur Abwehr von Flöhen und Zecken für Hunde. Tierart: Hund. Verwendung durch den Verbraucher.)"*

state, that the attached product packaging content fulfills all related EU and German regulations and can be sold in Germany in this form without any legal restrictions.

We as manufacturer state, that for any legal consequences from using this content on the packaging (without any changes) that might occur, we stand behind our product and we take full liability for these circumstances.

Beside our own financial and jurisdictional background, our company also has a valid product liability insurance, which is also covering these kind of potential steps.

Yours sincerely,

Zsolt Suló
managing director
ANIMall Ltd.
