

# SHOWLITE

## Datenblatt / Data sheet - T8 LED Röhre / T8 LED Tube

| Typ / Type                             | Showlite<br>T8W10K30F-600<br>T8W10K45F-600       | Showlite<br>T8W10K30F-1200<br>T8W10K45F-1200 | Showlite<br>T8W24K30F-1500<br>T8W24K45F-1500 |
|--|--|--|--|
| Artikelnummer / Article no.            | 00032732<br>00031181                             | 00034805<br>00032391                         | 00034806<br>00031182                         |
| Leistung / Power                       | 10 Watt  | 18 Watt                                      | 24 Watt                                      |
| Anzahl LEDs / LED quantity             | 48 – SMD2835                                     | 96 – SMD2835                                 | 144 – SMD2835                                |
| Lichtstrom / Lumen flux                | 950 lm   | 1750 lm                                      | 2300 lm                                      |
| Spannung / Input voltage               | 90–260 V / 50-60 Hz                              |  |  |
| Abstrahlwinkel / Beam angle            | 120°   |  |  |
| Farbtemperatur / Color temperature     | K30=3000 Kelvin / K45=4500 Kelvin                |  |  |
| Farbwiedergabe / Color Rendering Index | > 80 RA  |  |  |
| Leistungsfaktor / Power Factor         | > 0,95   |  |  |
| Lichtabfall / Light decay              | 3-4% nach 30.000 Stunden / 3-4% after 30.000 hrs |  |  |
| Sockel / Socket                        | G13  |  |  |
| Lebensdauer / Lifetime                 | 50.000 Std./hrs                                  |  |  |
| Schutzart / Protection class           | IP 20  |  |  |
| Abmessungen / Dimensions               | D 26mm x L 600mm                                 | D 26mm x L 1200mm                            | D 26mm x L 1500mm                            |
| Gewicht / Weight                       | 0,20 kg  | 0,36 kg                                      | 0,48 kg                                      |
| Zertifizierungen / Certificates        | CE (EMC/LVD), ROHS                               |  |  |
