

VOLT[®] FX-8[®] Li

VOLT FX-8Li

The Water Tech Volt FX-8Li is designed to clean large in-ground and above ground pools quickly and efficiently. The filter bags included with Water Tech Volt FX-8Li capture algae, sand and silt other vacuums leave behind as well as leaves and larger debris before they reach the skimmer, filter or pump.

- Designed to be used in above and inground pools.
- Recirculates (filters) the water while you clean.
- Use by hand or attach to any standard telescopic pole (pole sold separately).
- Built-in wheels and brushes for all pool surfaces.
- Minimum Operating Depth: 14.25 in. (36.19 cm) @45° angle.
