Accompany Cotton and Silk on a brand-new adventure

Something sinister is in the making... The willows are vanishing from Fairyland and the Fairy Queen asks Silk to seek the witch Nata de Cotton for help. For a lifetime all-you-can-eat willow supply, as she has an unsatiable craving for them, Cotton is willing to help out her old friend and embark on another adventure together.

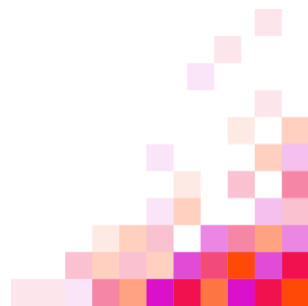

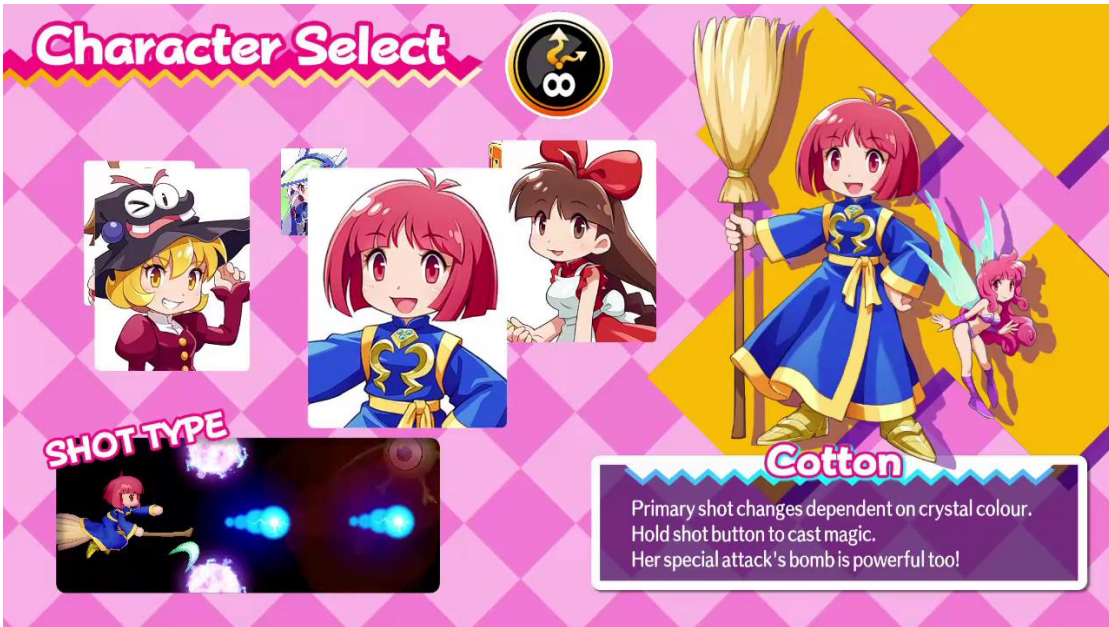

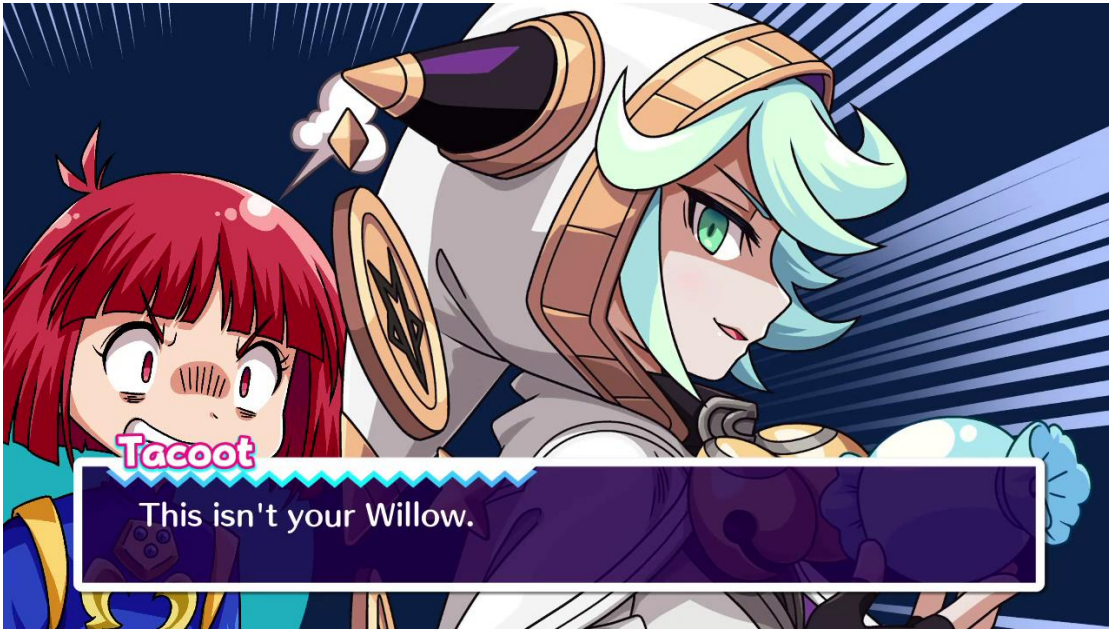

This brand-new game for the long-standing Cotton series sets the stage for another fantastic adventure, featuring several new shoot 'em up mechanics and a total of 6 iconic playable characters, including guest stars from other games!

Each character has their own mechanics and attacks, allowing you to choose from different playstyles and finding the right match! Alongside the 16 stages and additional unlockables, Cotton Fantasy offers a lot of fun and replayability, for fans of the series and newcomers alike.
