

Philips Baristina Espresso machine

- Milky white
- Milky white portafilter
- with milk frother

BAR303/00

Love real espresso. Hate the hassle?

Then check out Baristina.

Pour in your favourite beans, swipe the handle, and enjoy an incredible espresso. It grinds beans for a super fresh aroma. Tamps perfectly into the portafilter. And brews with high pressure, so your coffee tastes just like a barista made it

Real easy

- Swipe. Brew. Enjoy.
- No more messing around.
- Psst – it's quiet!
- Tiny – yet mighty!

Sustainability

- Less waste. More taste.
- Lean, green and clean.

Real espresso

- Fresh is best
- Real espresso, real easy
- Take your best shot
- Your little barista

Including milk frother

- Including special Baristina milk frother

PHILIPS

Espresso machine
Milky white Milky white portafilter, with milk frother

Highlights

Fresh is best

Freshly ground beans give you the greatest coffee aroma.

Real espresso, real easy

16-bar pressure pump releases full-on flavour from your beans.

Swipe. Brew. Enjoy.

Swipe the handle and let Baristina do the rest.

Including special Baristina milk frother

Our Baristina milk frother whisks up dairy and non-dairy milk in seconds to a fine foam. Set

the temperature to hot or cold. Simple to use, and super-easy to clean, too.

Take your best shot

Espresso. Lungo. Extra intense. Your call.

Your little barista

Ideal grind size. Precise pressure. Accurate dosing. That's how real espresso is made.

No more messing around.

Rinse the portafilter or wipe with a cloth to clean – no messy hidden compartments.

BAR303/00

Tiny – yet mighty!

Compact enough for any kitchen counter, powerful enough for barista-style coffee.

Less waste. More taste.

Goes from beans to grounds, perfect for use as compost.

Lean, green and clean.

Energy efficient*. 50% recycled plastic. In 100% plastic-free packaging.

Psst – it's quiet!

Baristina makes real espresso really quietly. **
