## **SG PROFILE ABDOMINAL PAD**

### **Proper Fit**

Ensure the abdominal guard fits snugly and securely to provide optimal protection. An improperly fitted guard can shift during play, reducing its effectiveness.

### **Inspect Regularly**

Regularly check the guard for any signs of wear, cracks, or damage. Replace it immediately if it shows any signs of deterioration to ensure maximum safety.

### **Wear with Appropriate Gear**

Always wear the abdominal guard in conjunction with other protective equipment, such as a box or jockstrap, to ensure comprehensive protection during play.

### **Follow Care Instructions**

Clean and maintain the abdominal guard according to the manufacturer's guidelines. Proper care helps prolong its lifespan and effectiveness in protecting against impact.
