

INSTRUCTIONS

HOW TO USE

1. Connect the power connectors of both ends of the light string. (Note: the connector needs to be stuck in the connector)

2. Make sure the plug is connected to the wave light and then tighten the knob.

TWO WAYS INSTALL

Mounting method 1: Use screws to fix on both sides of the light string.

Mounting method 2: Use the 3M adhesive to stick it.

Tip: Please install the string lights 1-10 cm away from the wall.

EN

Product Specification:

Size	10*28*2cm
Material	ABS+PC
Waterproof Level	IP65
Processor	STM32F103C8T6
Working Temperature	-10°C~50°C / 14°F~122°F
Control Mode	Bluetooth Controller + 24-Key Controller + APP + Music Sync

Product Feature:

APP: 3-Party Sharing
Control APP: 24-key remote, or switch. Easily adjust mode, brightness, color, and color temperature.
Customize color, lighting, brightness, and speed in the APP for unique light effects.
Music Sync Mode
Built-in music lights move to the music-perfected for parties and dancing.
