(G9): MAINTENANCE INSTRUCTIONS:
Screws and bolts should from time to time be retightened.
CLEANING:
LACQUERED: Wooden, lacquered and painted as well as laminated surfaces should be wiped over with a cloth and a mild soap.
OIL: Oiled surfaces can be cleaned with soapy water, e.g. brown soap.
To maintain the furniture's life in the furniture which is provided by the oil treatment, we recommend an oil for maintenance of the furniture 1-2 times a year. The colourless natural oil for maintenance of oil-treated furniture is available at your local furniture store.

(D): PFLEGEHINWEIS:
Schrauben und Bolzen sollen regelmäßig nachgezogen werden.
REINIGUNG:
LACKIERTE MÖBEL: Lackierte Holzoberflächen können mit einem sauberen Lappen und mildes Seifenwasser gereinigt werden.
ÖLDE: Geölte Holzoberflächen können mit einem sauberen Lappen und Seifenwasser, z.B. Schmierseife, gereinigt werden. Um das natürliche Aussehen der Möbel zu erhalten, empfehlen wir eine Ölbearbeitung 1 bis 2 Mal pro Jahr. Das farblose natürliche Öl zur Pflege der Möbel kann in Ihrem Möbelfachgeschäft gekauft werden.

(F): CONSEILS D'ENTRETIEN:
Vérifiez-ils doit être vérifié périodiquement afin de resserrer les vis.
NETTOYAGE:
Les surfaces bois, laquées, peintes et laminées peuvent être essuyées avec un chiffon et un savon doux.
HUILE: Des surfaces huilées peuvent être nettoyées avec l'eau savonneuse, par ex. savon de Marseille, et essuyées avec un chiffon propre. Pour maintenir l'aspect naturel du bois, nous vous recommandons de traiter occasionnellement votre mobilier avec une huile naturelle. Une huile incolore est disponible dans votre magasin de meubles.
