Lenovo
Tab Extreme Keyboard

The dynamic duo.

Performance, productivity, and practicality in one streamlined design. The dual-mode Lenovo Tab Extreme Keyboard bridges the gap between on-the-go productivity and play, acting as a fully functioning keyboard that doubles as a hands-free stand.

Why you should buy the Lenovo Tab Extreme Keyboard

One-step setup
Dual-hinge keyboard design for one-step opening and stable on-lap typing, with 70° main hinge and 70° to 125° screen hinge.

Dual-mode keyboard
Dual-mode keyboard stand for a quick switch from productivity to entertainment via the magnetic keyboard stand.

Added productivity options
The backlit keyboard features a PC-like layout that includes 16 shortcuts, including 2 customizable keys that can help launch your favorite applications faster.

Ergonomic, tactile
Typing on a tablet never felt this good. The Lenovo Tab Extreme Keyboard prioritizes ergonomics and click-feel with a deep 1.3 mm key travel distance as well as 19 mm pitch, which increase typing accuracy and comfort.

Spacious one-piece trackpad
Enhance your control and precision with the one-piece trackpad that's responsive and amply sized at 87 x 49 mm.
